Greenway***

Vandalia Trail

White Lick Creek and Vandalia Trail Alliance

White Lick Creek Greenway – ~8-miles (south 3 miles in initial study). Follows the meandering East Fork of the White Lick Creek on the western edge of Marion County, to connect with the Vandalia Trail, the B&O Trail, the Eagle Creek Trail, and Plainfield’s associated greenway trail, as well as several parks and many neighborhoods, while passing under historic bridges and through natural habitat areas.

White Lick Creek Greenway

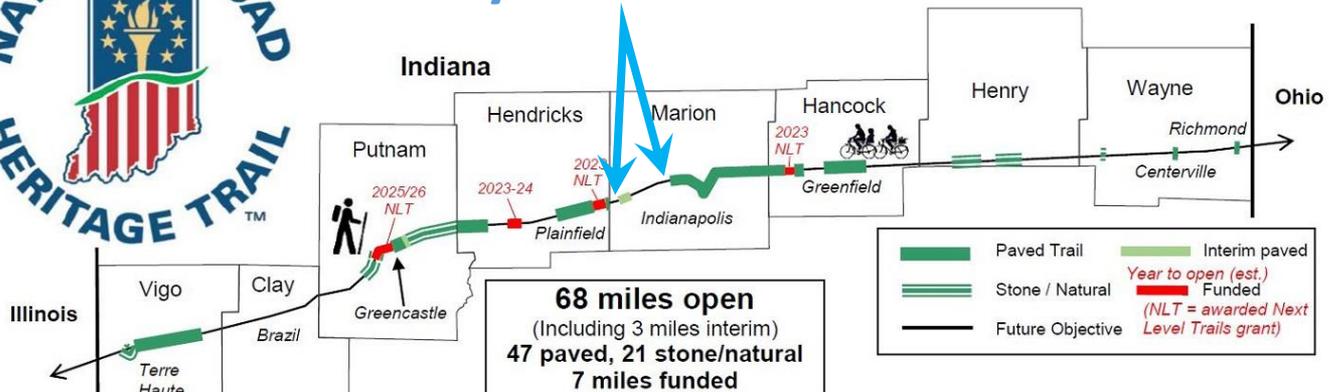

White Lick Creek and Vandalia Trail Alliance

Vandalia Trail – 6-miles. Part of the 160-mile cross-state National Road Heritage Trail initiative, locally to connect west Indy neighborhoods and commercial areas with Plainfield’s trails, the Indianapolis International Airport area, and downtown Indianapolis
